

## Institute of Dental Sciences, Jammu, (J&K)

### Parents Feedback Questionnaire 2020

Dear Parent,

Greetings!

Thank you very much for trusting IDS as the undergraduate destination of your ward. We value your decision and ensure you that with our collaborative efforts, your ward will materialize his/her dream. At IDS, our focus is always on shaping the future of our students.

This survey is designed to know your experience with IDS through your ward's education. The confidentiality of your response will be maintained, and your response will be used to improve our effectiveness and internal quality. We invite you to take the survey and allow us to serve you better.

Regards

Institute of Dental Sciences

## 20. Briefly describe your expectations from IDS.

- 
- Satisfied
- Good education
- Good
- Satisfied
- Having a lot of expectations for my daughter's life
- Good education and extracurricular activities
- Incorporate more extracurricular activities
- To become my ward a successful doctor
- To produce good doctors and better human beings
- Holistic improvement of my ward
- Quality education and overall development of the students
- Quality education
- Overall satisfied
- Everything up to the mark
- Satisfied with maintaining a sense of decorum in college
- Improve mental
- Good Expectations
- I expect that the college educate my daughter nicely
- I'm deeply satisfied with IDS. I'm satisfied with the security system, discipline, teaching, and faculty members.
- Here we expect the overall development of our child in terms of practicality of the field pursuing
- To make my daughter more efficient
- It needs to have an ATM or bank nearby
- The security systems are good. Hostels are much better. The professors are very concerned and qualified.
- The college lacks basic infrastructural facilities like ATM, gym, 24/7 library, and a general store for basic requirements
- Ids according to me holds a good position among the dental colleges of the state I am satisfied with each and everything about the institutions the teaching, non-teaching staff, management of the hostel are doing good work I will always appreciate your work and your efforts in the upbringing of good doctors rise and shine
- They make students into good doctors
- More practical knowledge should be provided
- Excellent college
- The college should provide better facilities to the students such as Canteen, Medical, Bank & ATM, Parking, Drinking Water, Post Office at the College is adequate
- Improve the standard to national level standards
- Well, my expectations are fulfilled ... I m very thank full to the teaching faculty...hostel faculty ...
- We need a gym facility
- Professional colleges need to get more relaxations for students in terms of exam schedules and practical schedules
- That helps in overall grooming as a person, as a doctor
- I have high expectations from IDS
- I have high expectations from IDS & can't express them in words.
- Up to point.

- satisfied
- I expect a good quality of education.
- I am satisfied with the institution
- Washrooms should be clean with proper sanitization. Canteen food should be hygienic.
- Satisfied with institution
- I want my child to perform well in theory as well as in practice. I want IDS to improve their carving and practical classes, as they are much needed.
- Internet facilities should be provided and drinking water should be improved
- Everything
- College is good.
- IDS has served as an excellent institution for my ward regarding teaching, co circular activities, and so on. And will hopefully be the best in the future.
- High expectations
- Should work on patient inflow.
- satisfied
- We expect IDS to make our children the best in their profession.
- best undergraduate college
- Education is up to our mark but the social life of college is not up to our mark. Internet facilities are nil.
- Education is up to our mark but the social life of college is not up to our market
- Students discipline and we'll be.
- Quality education, Good behavior & improved hostel facilities
- Quality education, good behavior, and improved hostel facilities
- I Expect it to b a better professional college
- The college has a good reputation and overall facilities are good.
- Very well satisfied with the system of learning and improvement of the social life of my child in IDS
- Good environment for the growth of student
- I expect it to be one of the top colleges just like others
- Good education and extracurricular activities
- I expect that the pass-out students may serve the community provided they are highly skilled in their field imported by the institute.
- Co circular activities
- Overall it's a nice college and I would like my daughter to be a well-trained doctor in every aspect after graduating from ids.
- Children to grow overall
- I would like the college to also inculcate extracurricular activities and sports in the day-to-day life of the student, and also give opportunities to students to learn outside the academic bubble.
- It has come up to the expectations.
- My ward is a student of IDS and shall develop a character and become a quality dentist.
- Incorporate more extra curriculum activities
- I expect IDS to provide a safe and motivating environment for my child
- Extracurricular activities should be encouraged.
- The college met my expectations
- The college must have a safe environment for all the students and must be an Acquisition of

real-world marketable skills. A first-rate academic experience The College must be a good fit. Affordability is also an important factor.

- Official Annual tours, ATM, and hygienic food
- Teachers are very well qualified and I hope that all the students get more and more knowledge from IDS
- Good quality of education
- Enlighten and educate with the refined form of dentistry
- Among best college
- Good outcome
- All good so far
- Meets expectations
- IDS can become the top college in the country
- Needs improvement in the facilities of Canteen, bank, medical and ATM
- Meets my all expectations
- There should be no uniform
- overall development of our child n child other than studies should also be involved in curriculum activities
- On-campus, ATM services should be provided for hostlers
- Making my ward a good professional and her overall development
- quality education with stress on the latest technologies and methods
- Well developed labs, canteen, good hostel food, there should be different activity clubs
- Fair marking. Some teachers eg Dr. Nandita from the Conservative department take shawls from a student for good marks.
- Good quality education

- Unfair evaluation and Marking. Teachers take gifts from students for good marks. An Argument with the teacher can lead to the failure of my child in examinations.
- Making my ward more worthy in this field
- Want to be more sophisticated

**21. Please provide your suggestions for any improvement you wish to see in IDS.**

- None
- 
- Nothing
- Better transportation toward Jammu city
- No improvement needed
- No
- Canteen and ATM facilities are not available on the campus.
- Extracurricular activities
- Satisfied
- No as such
- No suggestions
- Adequate extracurricular activities required
- Adequate extra-curricular activities
- All good
- Department
- ATM, canteen, wifi
- No need for improvements
- Please focus more on practical work and find innovative ways to enhance the practical knowledge of students during regular classes even in these difficult times r
- Improve the practical system
- Some facilities
- The campus needs an ATM, canteen, transport and a gym center.
- A guest room for meeting our wards, wifi facilities for basic studies, gym for the health of our wards and ATM is very necessary
- Overall ids are good in everything but I would love to suggest you provide wifi to the students because you all know about the network problems over there hope you will look into the mentioned issue
- Improve the curriculum and practical approach
- More practical knowledge should be provided
- No improvement
- The college should provide better facilities to the students such as Canteen, Medical, Bank & ATM, Parking, Drinking Water, Post Office at the College is adequate.
- More work on the practical hand of students
- Everything is good👍
- To improve more by providing gym facilities to students
- Hostel mess needs to b managed...cook should be changed
- Create a more friendly teacher-student atmosphere
- ATM
- ATM
- The parking lot for students
- Improvement concerning ATM facility needed
- no improvement needed
- No improvement required
- The practical and carving should be made understood to individual students. ATM should be provided on the campus. A good canteen should be present on the campus. The food provided in the hostels should be hygienic and also it should be a balanced diet. The potatoes should be least used in hostels for eating. good internet speed should be present in the hostel. There should be official annual tours every year.
- Improvement of the canteen, internet facilities, drinking water.
- Sports equipment for students

- Installation of an ATM near the college vicinity is a must.
- Hostel needs improvement in terms of food, wi-fi facility, ATM
- ATM facility, better canteen, and bookseller
- ATM availability
- Internet facility needs improvement on campus
- Patient inflow
- Please help our wards in their holistic growth, academics are good but certain extracurricular activities should take place in the college.
- to improve patient flow
- Internet facilities, transport facilities, ATM
- Internet facilities, transport facilities, ATM
- WiFi Internet connection.
- Hostel facilities and staff need improvement
- Hostel facilities and hostel staff needs improvement
- Better practical practices
- Satisfied
- No comments
- No suggestion
- College buses and the canteen are in their worst conditions. Also, co-curricular activities should be encouraged
- Focus on extracurricular activities and better hostel facilities
- Focus on extracurricular activities and better hostel facilities
- Better hostel facilities and ATM availability
- I suggest that the students of the institute may interact with the patients more frequently as do the students of GDC so that they may develop more expertise and practice in the field.
- Activities should be more
- Extracurricular activities should be added.
- Campus and canteen, co-curricular activities
- Extracurricular activities and sports should be promoted.
- A transport facility should be provided for the children living in the hostel.
- Install an ATM on the college campus.
- Extra curriculum
- Sanitation should be provided in the mess and wifi facility in the hostel would be highly appreciated
- Extracurricular activities should be encouraged.
- Extracurricular activities need to be encouraged
- Extracurricular activities need to be encouraged
- College faculty must introduce some extra-curricular activities and teachers should adopt some innovative methods to teach students. There should be some seminars and counseling sessions.
- Official annual tours, ATM, and hygienic food
- No such improvement is needed, it is best the way it is
- Improvement in buses
- Needs to work more on Co-curricular activities and provide ATM facilities
- Overall improvement
- Nothing as such
- Providence of ATM facility, extracurricular activities, public camps, improvement of electricity for hostilities
- Improve bank, medical, Canteen and ATM facilities

- Air conditioners should be used when needed
- internet services should be provided to hostel students
- kindly Provide In campus ATM for hostlers
- More patient exposure, ATM facility, Transport facility for hostellers
- ATM facility, more patient exposure, transport facility for hostelryes
- Provide ATM for hostlers in college, Improve the menu of Mess, not suitable for Kashmir's. Preferably 2 kinds of Mess-veg and non-veg
- Extra-curricular activities, canteen products, more infrastructure needed, and lab instruments
- Sports
- Please keep ATMs in college for hostlers. , Non-veg mess for Kashmir.
- decrease the incidence of theft in the hostel
- Mess is not good. Provide non-veg mess for Kashmiris. ATM should be on campus. WIFI is not available on campus or hostel. A gym should be provided
- Nothing
- Focus on extra co-curricular activities
- The fee should below
- ATM is not available. It's a burden for female students as there is no mode of transport as well to reach Kunjwani chowk. girls have to face a lot of problems to reach chowk which is very risky
- Extracurricular and canteen
