

INSTITUTE OF DENTAL SCIENCES SEHORA JAMMU

Strategic Plan

Institute of Dental Sciences is affiliated to University of Jammu and is based on the values of dedication, excellence and quality in dental healthcare and education. The institution works on setting high goals to achieve excellence for enhancing quality and providing improved facilities to students and professionals to increase the productivity. The Institute focuses to provide a fully student centered teaching and learning mechanism. Therefore, to achieve these goals a yearly strategic plan is devised and various committees are deployed for achieving the same. The Plan is reassessed and modified as and when required.
