**55. What did you like about IDS?**

It brought a change to my life, and wherever I will go, it will remain an integral part of me.

Somewhere it fulfills demands

IDS are best in everything

All the students get their concepts cleared by the staff

The teaching staff and the teaching techniques

Academic skills

Teaching faculty and the support they provide

Campus and its faculty

The teaching staff and the teaching techniques

The faculty is very good

It's academic standards and experiential learning during clinical training.

Campus and its faculty

The faculty is very good

Faculty and Practical components of the program

Teachers...they are always helpful

Coordination between staff

Infrastructure and access to teachers /doctors

Some teachers are very encouraging and promising

Faculty and teaching methodology

Perio and prosthodontics department

Infrastructure, learning facilities

Seriousness towards education

Teaching, Technique, and practical knowledge provided

Teaching techniques and practical knowledge provided.

The best college in the UT of JK

Well, it's not just a few things I found good about this place, instead, I found the whole college amazing honestly. On my personal experience in these years of my life I learned a lot not just academics or about the disease, but I also learned about failure and achievements and depression was the one I had all my college years but now I know how to deal with it and college showed me that there is no boundary for the knowledge I realized this in this college.

Teaching patterns and student-teacher interaction sessions

Method of teaching and efforts of teachers towards students to make them understand everything

proper management of working schedule and timetables for exams, viva-voce

The faculty at IDS has been worth the appreciation. The academics along with the clinical practice at IDS has enabled me to be who I am today - a confident dentist.

The healthy teacher-student relationship and also the doubt clearance

Overall it's a nice institution.

It is the best teaching institution I have come across

Supportive faculty

6 years of bittersweet memories but all of it seems worth it now. Thank you for the beautiful experience.

The fact that this college serves the patients without charging a single penny, despite this being a

private institution.
Excellent staff and education skills of doctors
The College campus is clean
Can't say anything
Good faculty and labs
College infrastructure, staff, faculty, clinical practice
The faculty at IDS has been worth the appreciation. The academics along with the clinical practice at IDS has enabled me to be who I am today - a confident dentist.
Learning environment
The hardworking faculty.
good teaching staff
Ambiance, faculty, infrastructure, management
Hygiene education
The versatility of education and the faculty helped us throughout our course.
The hardworking faculty.
Patient flow
Only a few quality lectures...
faculty and study environment
Environment
Cooperative staff
Nothing, it is just a simple dental college with no proper patient exposure even daily OPDs are limited to 20-25.
faculty and study environment
The staff is very helpful
Staff their nature towards their students
<b>56. Suggestions for Improvement</b>
Some, as mentioned above
Whatsoever is in the medium category
Canteen should provide better food
Need to work upon its infrastructure and add some extra co-curricular activities along with academics
More interest in sports
Need to work upon its infrastructure and add some extra co-curricular activities along with academics
More practical knowledge
More co-curricular activities
Substantially exceed my expectation
patient flow
Campus improvement and please organize annual events
Engagement in public health programs and extracurricular activities
Increase patient flow
Curricular activities
Extracurricular and sports activities for students
Extracurricular activities need improvement.
More exam conduct
More practical work

Plz, provide wifi for hostellers too.
Extra curriculum activities should be organized
Extra-curriculum enhancement
Engaging more extra-curricular activities
Engaging more extracurricular activities
Already improve
There are few but the college is improving itself every moment for every child.
Regarding clinical and co-curricular activities
Co-curricular activities should b added for better personality development
Need some co-curricular activities
Improved needs in the clinical department of orthodontics& pedodontics
There is a lot to improve as a college. Baring the academics and the clinical practice, everything can be looked upon as an opportunity to better the college. The college needs to be more inclusive, inclusive in terms of sports and varied co-curriculum activities. The need to form communities so that the students can voice their opinions, and stay in touch with the alumni even after leaving the college. The spirit of oneness has to come.
Can improve in the area of more patient availability
Extracurricular activities
More hands-on training should be there.
The organization of dental camps to increase patient flow.
An increased patient inflow would enhance the learning experience of students to a great extent.
WiFi facilities for the students
Improvement in arranging camps and more patients for a check-up
Needs improvement in the administrative department
Need improvement in every aspect
Needs more patient flow
Increase the number of patients for more clinical practice for students
There is a lot to improve as a college. Baring the academics and the clinical practice, everything can be looked upon as an opportunity to better the college. The college needs to be more inclusive, inclusive in terms of sports and varied co-curriculum activities. The need to form communities so that the students can voice their opinions, and stay in touch with the alumni even after leaving the college. The spirit of oneness has to come.
More social activities
need to work on extra curriculum activities and need to be more friendly towards students
Need to improve practical work, patient flow, and advanced technology in dentistry
Need improvement in teaching practical skills
The college needs to arrange for more dental camps.
More social activities
Faculty, their teaching methods and for over all development of student the college should encourage students to participate in extracurricular activities as well as organize them too
Remove pharmacology HOD because she is too old to even comprehend when she speaks...
The administration should listen to what students have to say.
Camps so that patient flow increases
Prepare students efficiently so that they can build up interest in dentistry rather than shifting to other fields after graduation. Improve your daily OPD rather than filling fake OPD cards. Stop demotivating students. Stop threatening and harassing students on Supplies and patients. You don't have any right to threaten students if you don't have enough daily OPDs.Make a student union so that the problems of

the students that they are facing can be heard and resolved properly in a positive manner. Try to maintain the environment, Dental equipment, materials, and many more of college and various departments the whole year rather than only during DCI or NAAC inspection. Last but not the least, try to Pay stipends to Interns at the proper time.

Faculty, their teaching methods and for over all development of student the college should encourage students to participate in extracurricular activities as well as organize them too

Can be improved in terms of patient flow.

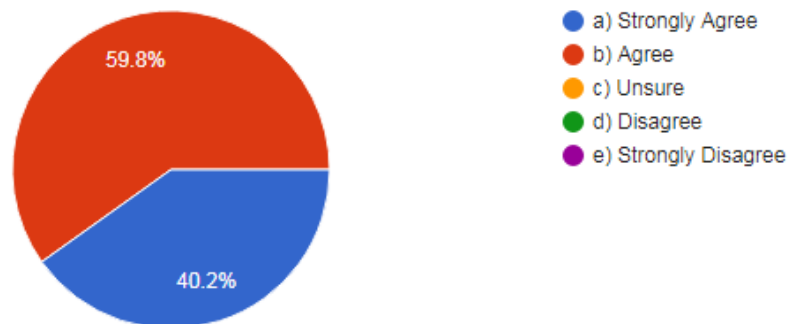

The educational and practical system can be improved

Its Ambience

We have got a good warden, a good atmosphere to live in.

Great Hostel
Currently Nothing
There's nothing likable at all. Mess staff is disgusting. The cooking is worst here. Meals aren't provided properly. The mess staff provides just a 5 rupee biscuit packet with the evening tea. No one is allowed to pick the 2nd packet. The behavior of the mess staff is unacceptable.
Security
Hygiene and cleaned
It is close to the campus
I would like to say our hostel is overall nice
The hostel is well equipped and we'll be furnished, hygiene is well maintained, food is average but we get different varieties of food every day, and accessibility to warden mam is very good, she is always available to help out.

<b>19. Suggestions for Improvement</b>
Internet services

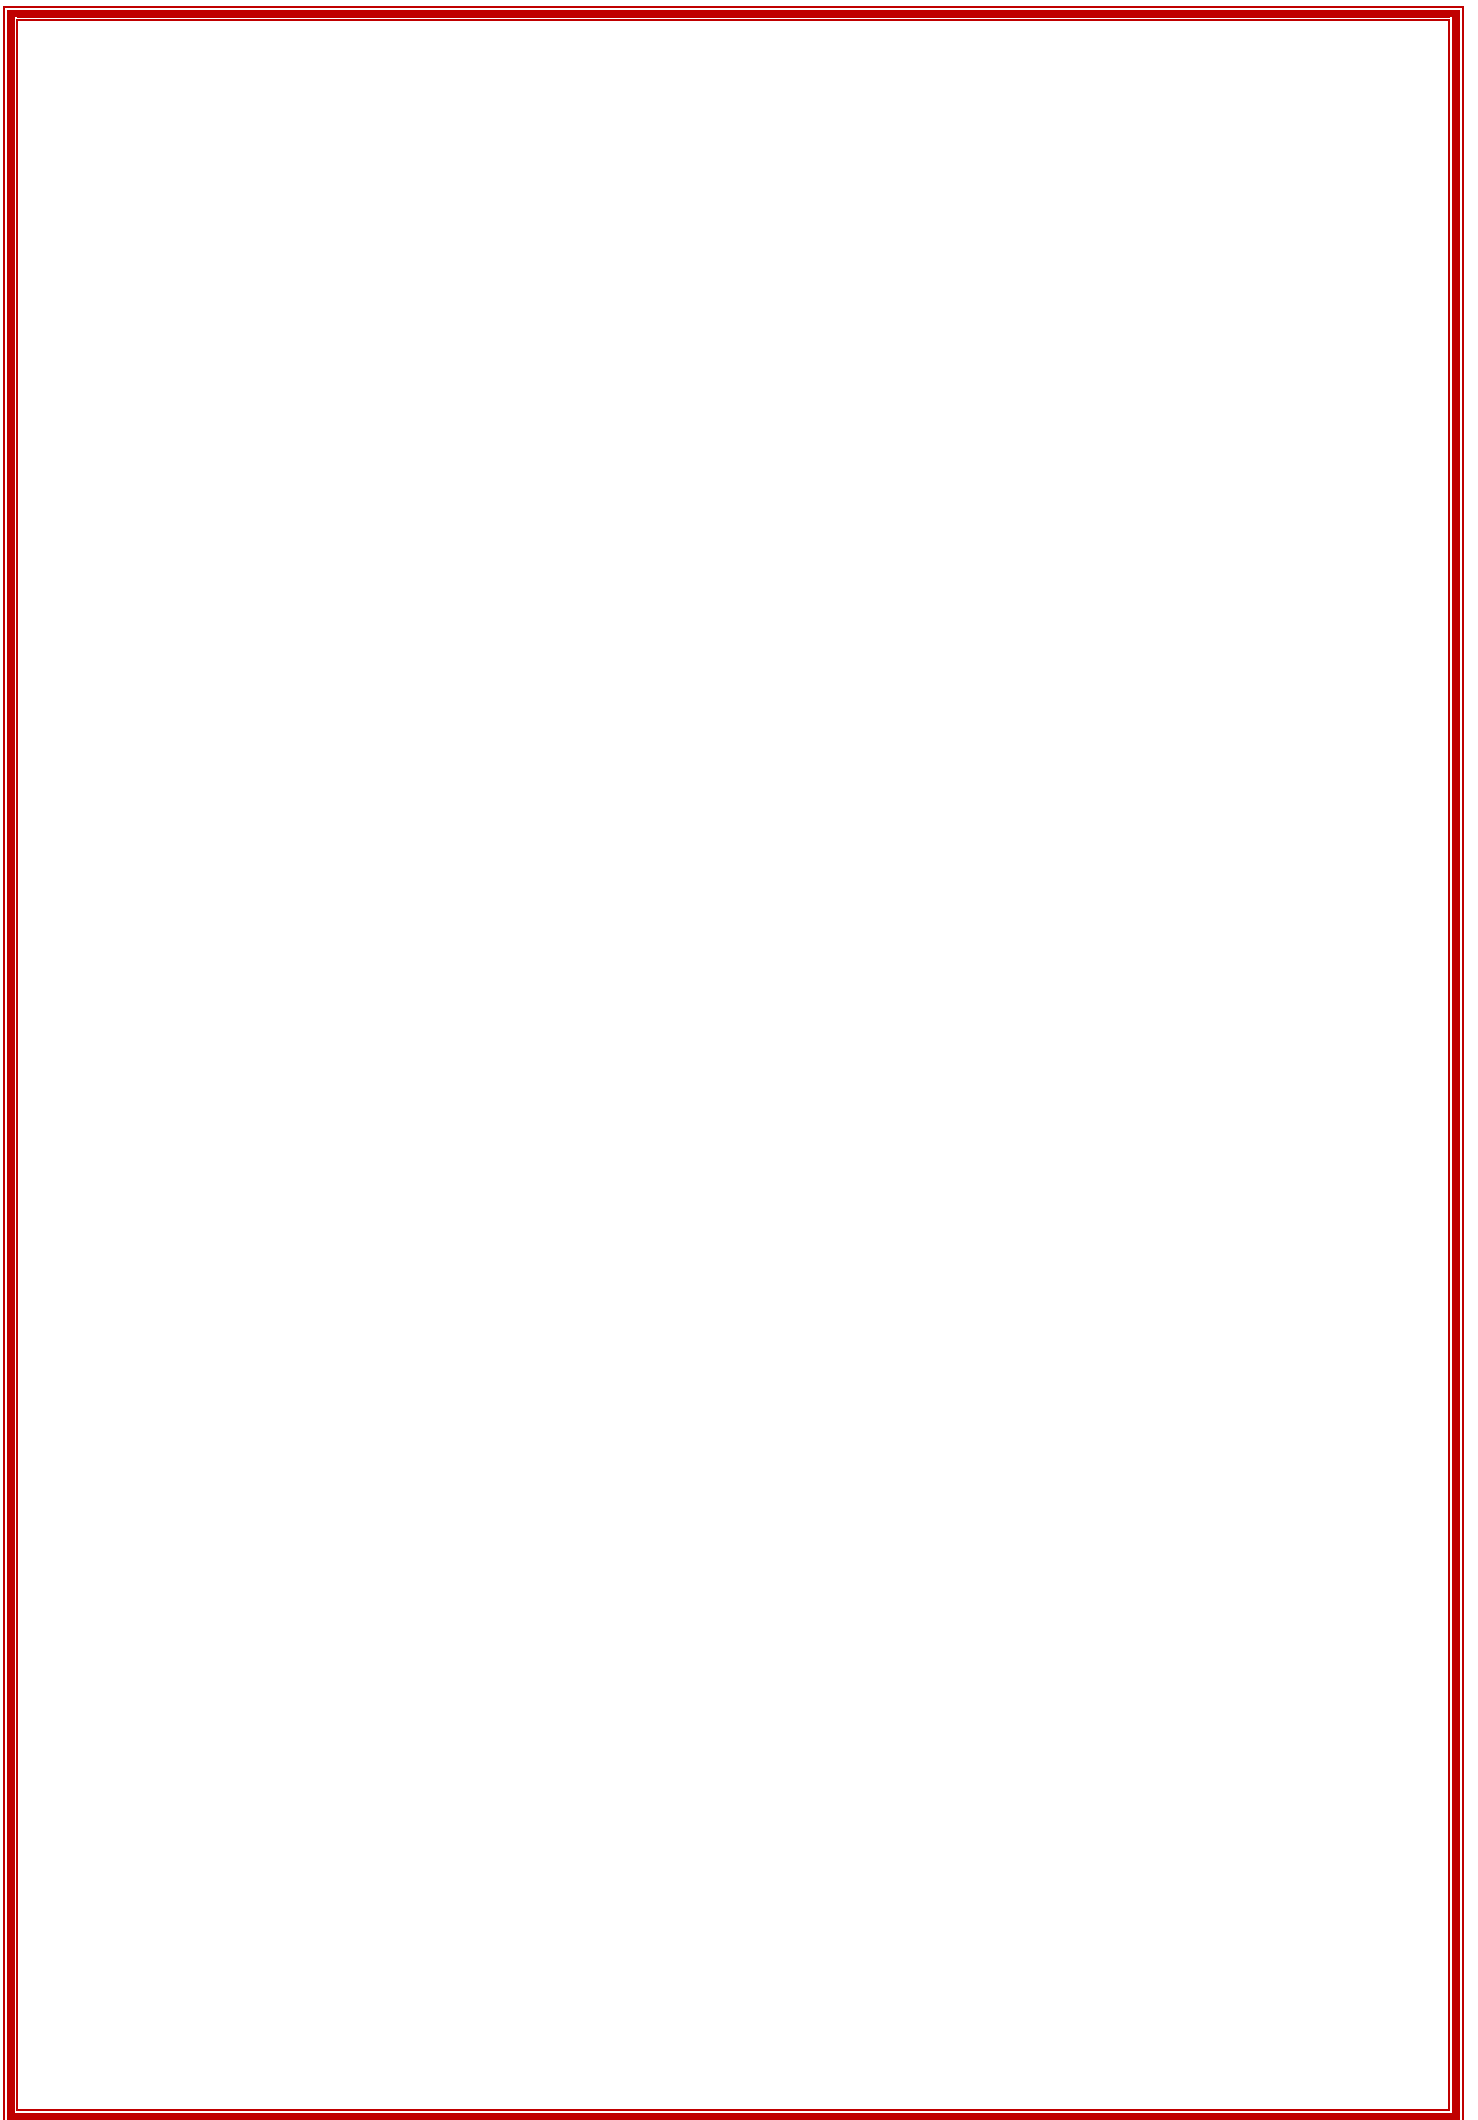

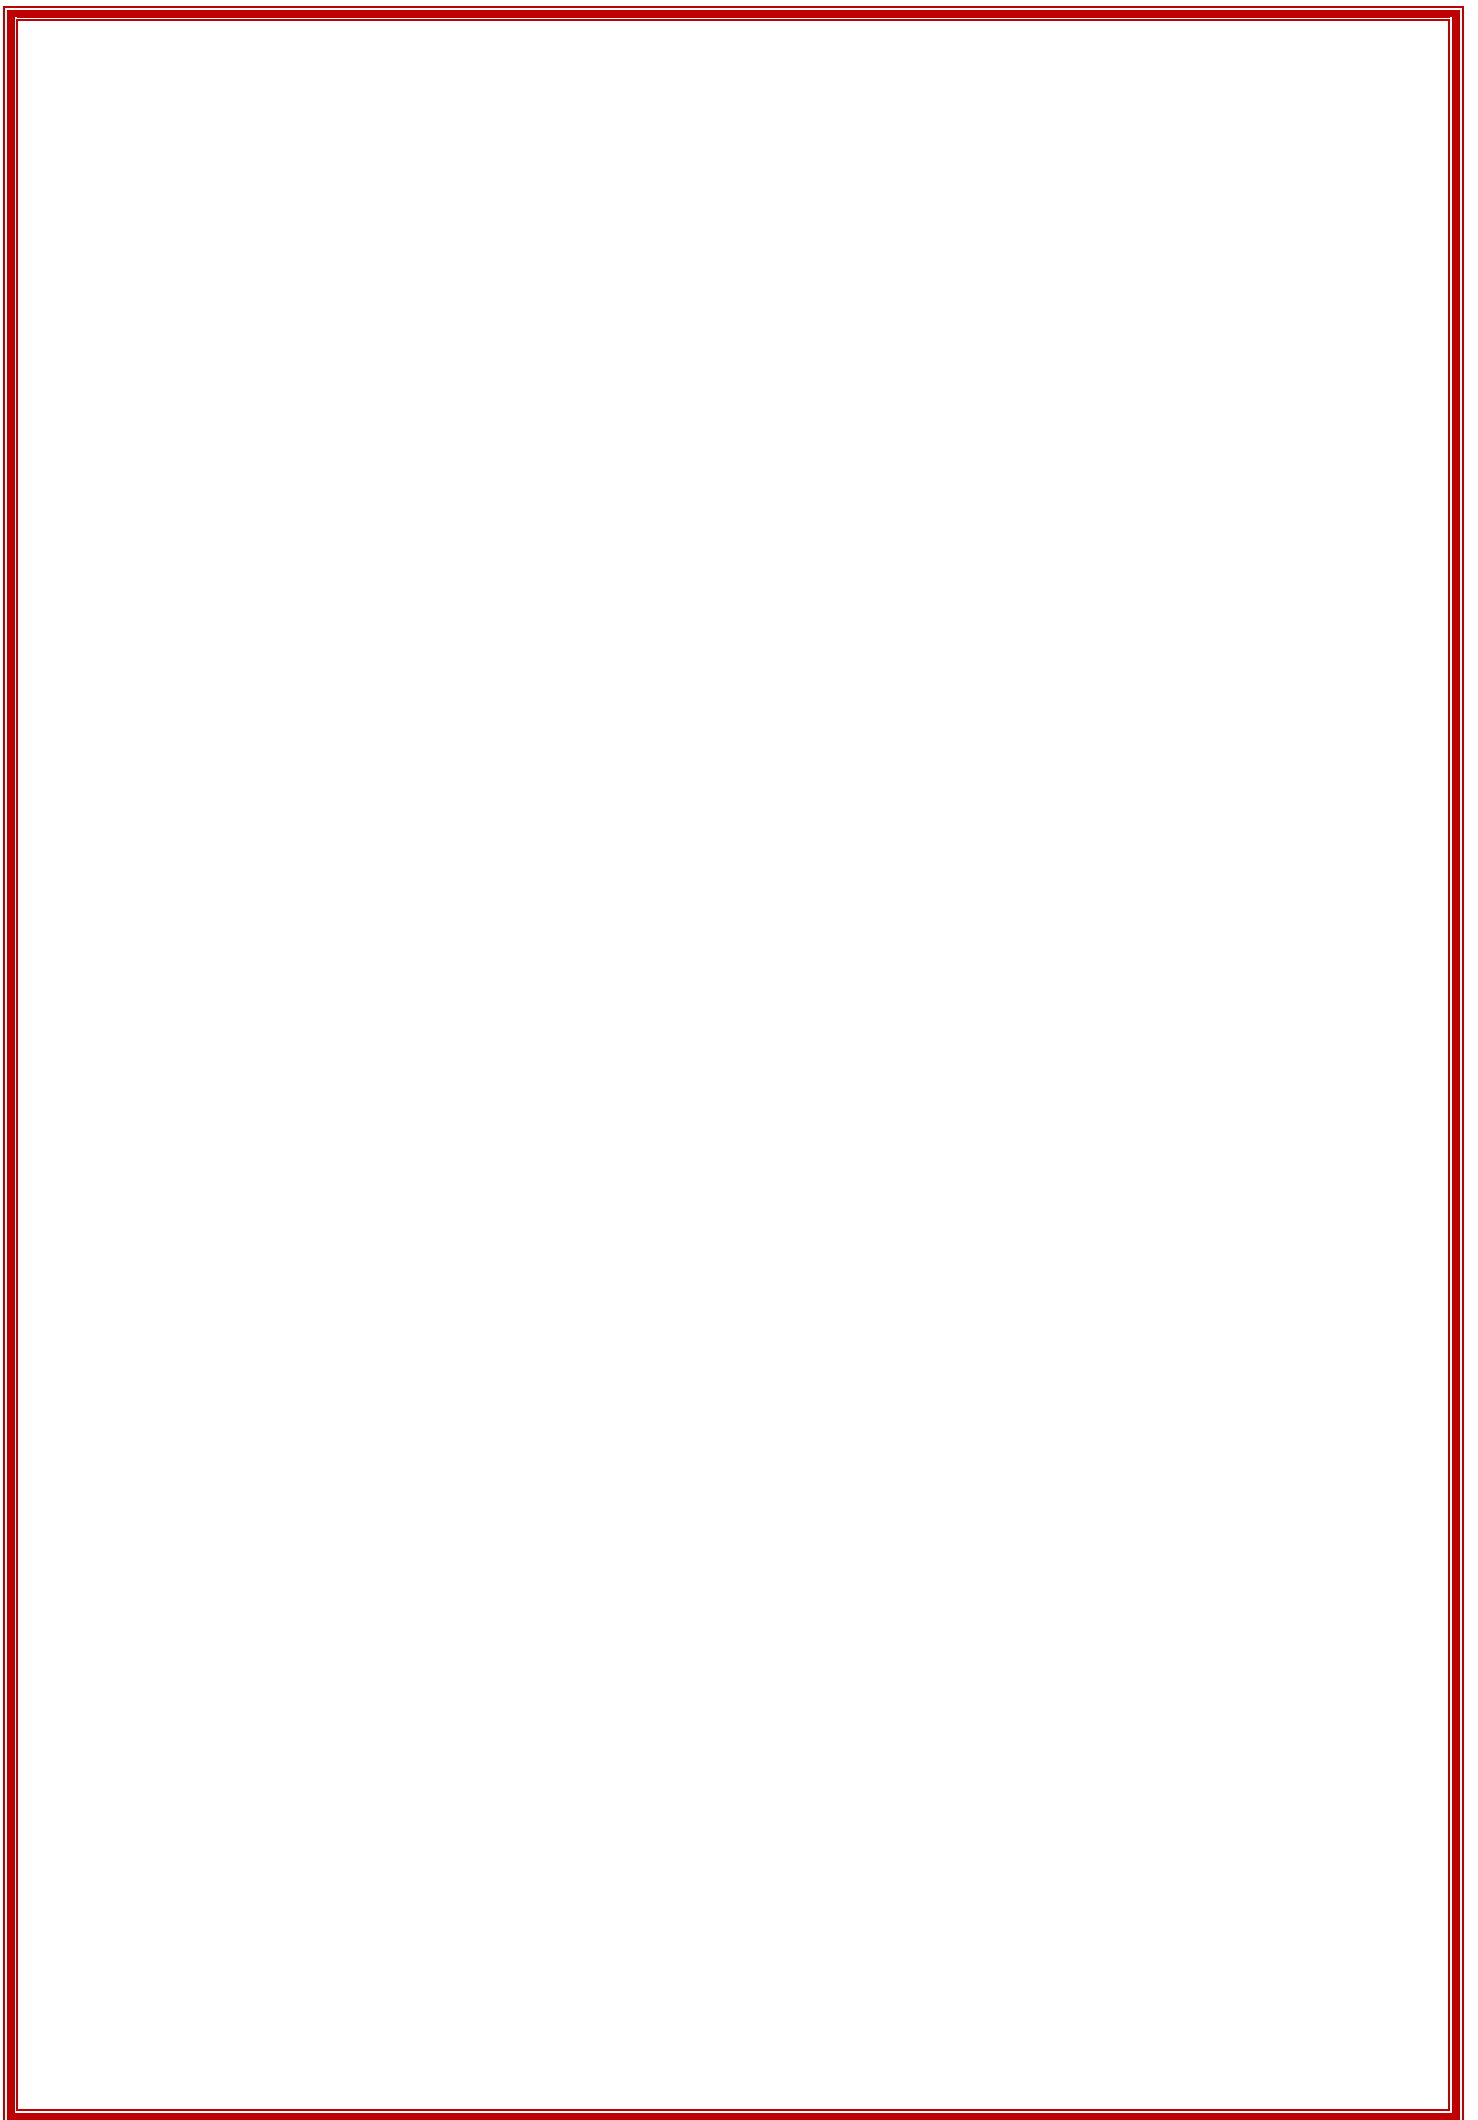

Change the menu.
Internet connection in area is very poor.2. Power cuts occur frequently.
The only improvement is the internet facility.
Internet facility
internet facility
Food of mess needs improvement
Wifi facility should be provided and also focus should be given on extra curricular activities
Drinking water and mess
The wifi facility is a must.
kindly provide in campus ATM, transport facility till kunjwani chowk, library access after college hours, non-vegetarian mess
A wifi facility is required since online exams are going to be held
everything needs improvement
Cleanliness, management, and food
Internet facilities, network issue
I'm satisfied
Wifi services to be installed.. water facilities should be improved
Need for wifi
Yes ...needs a lot of improvement especially water hygiene and food quality
internet service
Improvement in the menu for lunch and dinner
In-house issues should be fixed on time.
Improve the quality of food, Lighting system doesn't work as we have to roam in darkness hostel menu, etc
Co-curricular activities
First and foremost, plz provide the food menu at multiple places in the mess and the notice board as well. I think the mess staff isn't going according to the directions from the management. They just provide a 5 rupee biscuit packet for the evening tea. The milk they use in the tea is negligible, appetite aside, we develop stomach ailments from that milk-less tea. There should be regular inspections in the mess for the quality, quantity, and menu of food provided. Plzz improves both the quality and quantity of food. The mess staff should learn to behave properly.
Internet facility, canteen,
Food quality needs to be improved.
First internet connectivity, mattresses are so much in the worst condition, food is not that nice and water filter is only one for all three flour
It would be very helpful if laundry facilities are added

<b>15. Please provide suggestions for Improvement</b>
More workshops for root canal procedures
More new techniques should be included in our internship course
Could b better

awareness
Give masks to every person in the hospital when patients do not come with them...
Colleges should open up and should strictly follow Covid protocols so that we as interns could learn in a safe environment
Better covid protocols could have been followed for patients as well as staff safety.
Patient exposure should be improved so that we could have a better understanding of various cases.
Long postings in departments like public health dentistry are a total waste of time. Posting time for this department must be reduced from 3months to 15 days only and this time should be given to clinical departments like conservatives and endodontics, oral surgery, orthodontics
Have open camps more frequently so that patient incoming can be increased.
Camps should be organized twice a month so that better practice can be done
focus on sports curriculum, the festival celebration is needed
Counseling regarding more opportunities after BDS
More patients needed
Mask and gloves should be provided to all the students ... so that precautions be taken.
The instruments need to be more and more.
Long Posting in public health dentistry should be reduced from 3 months to 30 days only
Provide regular feedback on my performance in the clinical posting

Satisfied
Extracurricular activities must be provided and the student has no exposure ...
More stress should be given to clinical work...

Extracurricular activities should be encouraged.
Extracurricular activities and events by college
Need to improve canteen, at least installation of atm for convenience of students living in the hostel
Please stop favoring students on basis of "nepotism" at least award us marks that we deserve you want to give distinction to one with commendations that's find but at least don't make us suffer.. help us to pass out as good humans before being good dentists that are more important. The attitude of teachers has such a negative impact on our minds that I assume I am not in this college for a bds degree but for life lessons.
Extracurricular activities should be encouraged and canteen improvement
Campus internet connectivity (WiFi system)
have interactive sessions with students
WiFi and internet speed
Wifi and internet speed
the material required for dentistry like dental stone etc should be bought in bulk.. also canteen should be neat and clean with sufficient food

The social distancing between students even in the green area of campus, canteen should be more hygienic
Kindly include some extracurricular activities and some seminars, debates, and group discussions for the holistic growth of students.
Extracurricular activities should be encouraged
We need wifi and improve the mess
Extracurricular activities should be included
Students sitting after the 4th row are mostly not able to hear the teachers properly
Regular test
There should be more extracurricular activities except for studies
Help students create clear educational and career plans.
Co-curricular activities and practical

More co-curricular activities should be planned.
Ground
Our college is very boring. The students of ids have no life..there is no fest no picnics no trips organized by the college
As due to current situation I haven't explored all sides our college but till now whatever I have seen and experienced was pretty good. Student lockers require improvement and I would like to witness workshops for the overall development of our personalities.
Network connectivity and wifi facility. As a resident at a hostel, it can be difficult to connect to family or excess online educational portals as it requires a good connection.
Extracurricular activities should be given importance
